

Pink Quartz - 90min

R1800.00

This luxury Gua-Sha treatment offers a variety of different elements. We start off your 90min journey with a 20min hot stone back massage with warm rose or coconut oil. We then follow with the luxurious facial treatment, including the pink quartz stone to generate skin cell renewal as well as to improve dull skin or an uneven complexion. An ice globe face and neck treatment follows to rejuvenate the area and plump up the skin. A Bulgarian Rose alginate mask is then applied to enhance the Gua-Sha effects. The treatment ends with a decadent Indian Head massage while a heat generated face glove is applied to keep you relaxed and your skin supple. Highly recommended to rejuvenate, regenerate and brighten skin and restore your well-being.

Lamelle Luminance - 60min

R1000.00

This treatment enhances and restores your complexion giving skin a radiant, dewy, look. It includes extractions, a concentrated brightening serum and a luxurious brightening alginate mask. Enjoy this treatment with 20 minutes of all round massaging, including, décolletage, neck head and shoulders.

The Green Gua Sha - 60min

R1050.00

The jade stone helps to increase circulation and blood flow to the face and helps the body's natural energy to flow. A refreshing lemongrass oil is used for 20min of deep tissue massaging of the arms, hands and head. The skin feels energized and alive allowing the skin to breathe and function better. A nourishing collagen mask is applied to promote better elasticity and to assist with fine lines and wrinkles. Galvanic ionization and stimulation included to better penetrate serum and to stimulate blood flow for better results

Deep Clean Decadence - 60min

R800.00

The treatment consists of a long steam and décolletage massage, thorough extractions and a purity or hydrating mask while a luxurious coconut oil head massage is provided. Clean and revitalized skin is established.

Rose Gua-Sha - 60 min R1050.00

The luxurious facial treatment includes the pink quartz stone to generate skin cell renewal as well as to improve dull skin or an uneven complexion. An ice globe face and neck treatment follows to rejuvenate the area and plump up the skin. A Bulgarian Rose alginate mask is then applied to enhance the Gua-Sha effects. The treatment ends with a decadent Indian Head massage while a heat generated face glove is applied to keep you relaxed and your skin supple. Highly recommended to rejuvenate, regenerate and brighten skin and restore well-being.

Dermaplaning - 60min R1000.00

Using the Dermaplan tool, we gently remove superficial dead skin and apply a glycolic peel to improve skin texture and create youthful appearance. A quick steam and soft extractions are done. A decadent mask is applied to soothe the skin and create a supple effect.

DMK Muscle Banding - 75min

R1500.00

The Muscle Banding treatment uses Enzyme Therapy 1,2 and 3 to physically strengthen the facial muscles of the face and neck but without the physical effort. The treatment lifts and firms the skin and helps to restore optimal skin functioning.

DMK Eye Fusion - 30min R600.00

A thin layer of Pro-Alpha is used around the entire eye area to hydrate, lighten, brighten and reduce fine lines and wrinkles.

Syringoma Treatment (White dots under eye)

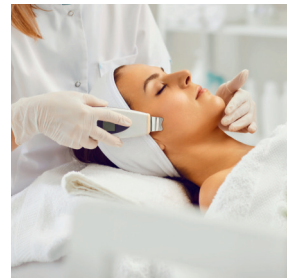

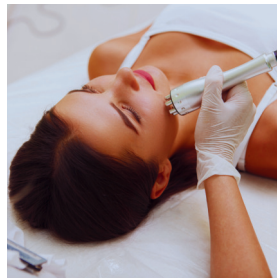

- 45min 3 for R1500.00

Plasma is used to resurface the tiny little bumps underneath the eye area.

DMK Alkaline Wash 45min

R1000.00

The alkaline wash is used to superficially resurface the skin and is used to treat a wide range of skin conditions such as pigmentation, acne, razor bumps, in-grown. It is also used to remove fine, downy facial hair. Extractions cannot be done with this treatment.

The DMK Quick Peel - 60min

R1000.00

The famous non-chemical peel detoxes and purifies the skin. Perfect for dull looking skin or acne sufferers. The peel creates a pseudo heat and resurfaces the skin. If you need an intense treatment without the downtime, this is the perfect choice. The skin is immediately rejuvenated and instantly functioning better. A cooling mask is then applied. This is a common favorite.

Add on Cryo X

R500.00

Cryo X Therapy is added as an additional benefit to pre-exfoliate the skin. A cold gel is applied to exfoliate, smoothen and tone. Perfect for aged, tired skin.

DMK Pro-Alpha Peel - 60min R1200.00

The Pro-Alpha is a deep peel used to assist with breaking up pigmentation, correcting fine lines and wrinkles and keeping the skin hydrated. A series of these treatments can rapidly improve the visibility of pigmentation and unevenness. A hydrating mask is applied to complete the treatment.

DMK Hydradermaze - 60min R1500.00

This consists of a deep peel combination of Pro -Alpha and Prozyme. The Prozyme acts as a dead skin cell muncher while the Pro-Alpha penetrates deeper into the skin layer slowly breaking down the pigment.

This is the perfect treatment for people with pigmentation and uneven skin tones.

DMK Enzyme Therapy 1 or Oxygenation Therapy - 75min R1000.00

DMK Enzyme Therapy 1 Including peel 120min - R2000.00

The primary objective of the Enzyme Therapy facial is to assist in restoring lost functioning of the skin cells, allowing the natural rhythm of the skin to return to normal. When skin function is restored, the skin is brought back into a state of balance and harmony and the skin concern is usually eliminated.

Anyone can benefit from the Enzyme Therapy. Extractions included.

Azeac Peel System R730.00

Evens out unevenness, enhances collagen production, lightens pigmentation and helps to reverse the signs of ageing.

Rice Bran Peel R1200.00

This leave-on, superficial chemical peel that is indicated for the treatment of age prevention. It also has skin brightening benefits as pigment producing cells are protected from free radical activity that would cause pigmentation.

Lactic 30 - 45min R750.00

Assists to even out skin tone and improve texture of the skin.

Beta Peels

The Beta Peels renew the skin by lifting dead skin cells off the surface of your skin and stimulating the metabolism of the cells underneath.

Beta 15 - 45min R700.00

Beta 20 - 45min R750.00

Beta 30 - 45min R800.00

Beta Plus 20 - 45min R700.00

This treatment is used on acne suffers to drain the oils and prevent a further build up of congestion.

AHA 30 - 45min R750.00

Evens out unevenness, enhances collagen production, lightens pigmentation and helps to reverse the signs of ageing.

Retistore R2500.00

This retinoid treatment will boost collagen production to reduce fine lines and speed up skin cell turnover to even out discoloration and smooth the skin. This is highly recommended to treat pigmentation.

Retistore Plus R3000.00

The R-Plus is used to promote full epidermal resurfacing for deep wrinkles. This is the perfect treatment for anti-ageing.

DMK Stemzyme Programme

R32 500.00

- The Stemzyme program is a highly specific 50-day protocol, combining 5 professional DMK treatments and a carefully mapped Home Prescriptive regimen.
- This highly specific, targeted program stimulates the activation of a person's existing epidermal stem cells.
- Stem cells divide and differentiate into cells that are responsible for the repair, rejuvenation, and protection of human skin.
- The course of treatment is, at the most profound level, slowing the ageing process by reversing the decline in regenerative stem cells and boosting their number.
- Stemzyme is the ultimate long-term skin maintenance treatment that reduces the effects of impaired stem cell function.
- Effects include fine lines and wrinkles, sagging skin, uneven skin tone, discoloration, uneven texture, dullness, sallow complexions, enlarged pores, dry skin, and hyper-reactive skin.
